Who we are ...

Community Preschool was founded in 1942 as a Lanham Act War Nursery to serve the needs of mothers employed in the war effort. Once located near the entrance to The Pier, Community Preschool moved to its current location in 1968, where we continue to serve the economically, culturally and ethnically diverse population of southern Pinellas County.

As a private, non-profit 501(C)(3) organization, Community Preschool has many sources of funding available to us that allow us to continue offering competitive tuition. Our funding partners include:
